KAUA'I HOSPICE HOSTS "TIBETAN PERSPECTIVES ON DEATH AND DYING" LECTURE

Lihue, Hawaii – March 29, 2011 – Kaua`i Hospice is offering a rare opportunity for residents and visitors to attend a lecture by Dr. Jampa Yonten, esteemed practitioner of traditional Tibetan Medicine, on his first tour to Hawaii. "Tibetan Perspectives on Death and Dying" will be held Friday, April 1 from 2:00pm - 5:00pm, at Kaua`i Hospice's Lihue office. During this free lecture, Dr. Yonten will share teachings from traditional Tibetan Medicine and his vast body of knowledge on death and dying.

Tibetan Medicine is primarily holistic and has emphasized the relationship between the mind and body for over 2500 years. In Tibetan Medicine, death is presented as a natural process of this cycle of life. Being able to recognize the signs of death, helps one prepare for the final transition of this life.

Dr. Yonten currently practices traditional Tibetan Medicine and is the medical director of the Tibetan Healing Center in Bangalore, India, which he founded in 2003. Dr. Yonten will be conducting multiple workshops and private consultations during his stay on Kaua`i. To learn more about Dr. Yonten and the Tibetan Healing Center, visit www.tibetanhealingcenter.com. To schedule a private healing consultation, contact Terri Nash at 821-0212.

The mission of Kaua`i Hospice is to ensure the highest quality of life possible for individuals and their families facing a life-threatening illness; to provide bereavement support to individuals, and to promote an understanding of Hospice services.
